6th July, 2010

Our Reference: 2009/10-32

Dear Parents,

Re: Reports Day 2009-10

This is almost the end of the academic year 2009-10, and it is the right time for us to review what we have achieved and plan for the coming years. We have scheduled 15th July, 2010 (Thu) to be our reports day when you may meet our teachers to discuss something we both care about. In some occasions, few students will be arranged by the form-teachers to meet the discipline master, counseling master, assistant principals or me. We hope such interviews provide a better understanding among us by which the students will ultimately be benefited.

I would like to remind you that you must hand in your signed form of 'Acceptance of a place in WY in 2010-11' (this form was distributed on 30th June to your son and it is now available on our school webpage) to the form-teacher during the interview with him/her. You are not required to pay for any fee in reserving a place on 15th July. Only till 1st September, 2010 should your son pay the Tong Fai and air-conditioning fee.

You are reminded that a student who does not register with the College and return the signed declaration of acceptance of place on 15th July, 2010 will be considered as giving up his place for the academic year 2010-11. In addition, registered student who does not report to school on or before 3rd September, 2010 will also be considered as having given up their places for the academic year 2010-11.

Your son has been informed that 15th July is the last day for them to clear up their belongings in the campus. Our janitors will disposed all items left by students in the classrooms and inside the lockers after 15th July. Please remind you son to collect his stuff before the deadline.

In addition, some students who have failed in examinations will be requested to take supplementary examinations by the end of July, if your son belongs to this category, please urge him to revise and get prepared for the supplementary examinations.

Our school webpage is always the most updated source of information, I recommend you and your son to access it regularly during the summer vacation. In case you have any query of the above-mentioned arrangement, please give us a phone, our office staff are delighted to help.

Yours sincerely,

Tam Siu Ping, George
Principal
