以下對於華小的收生準則節錄自直資計劃建議書 (修訂本)第 30 頁:

“(i) WYHK will admit directly all students ranked 55th or higher (with no replacement for lower ranks if some choose not to take up the offer).

(ii) For those ranked 56th to 80th, they will be offered the chance for interviews along with applicants from other primary schools. However, these PUAWYPS graduates will be given bonus marks to recognize their background of Jesuit education.

(iii) To facilitate PUAWYPS to settle in its new school district, WYHK will provide an extra three years upon the initial six transitional years enjoyment of the current status quo arrangement, i.e., enrolling the first ranking 79 P.6 students of PUAWYPS.” (p.30)
