

Wah Yan One Family Foundation Limited

8th September 2017

Dear Wahyanites, Riccians, Parents, Teachers, Students, Staff Members and Friends,

Having turned 90 this March, Father Deignan has tirelessly served Hong Kong, Wah Yan and Ricci HKU with his apostolic care beyond stems and branches, ever since arriving Hong Kong in 1953. During his times as Prefect of Study and Principal in Wah Yan College, Hong Kong between 1962-70, as Warden of Ricci Hall HKU from 1970-78, and then as Supervisor and Principal of Wah Yan College, Kowloon from 1978-92, the Schools became the nurturing ground of many young people who not only excelled academically, but also received holistic education that enabled them to become caring leaders of Hong Kong society and other parts of the world.

Father Deignan has indeed never retired, for he went on to establish the Hong Kong International Institute of Educational Leadership in 1997, which aimed to foster a community that lives in harmony and sets a high standard of moral behaviour. And in 2004, together with alumni from the two Wah Yan, Fr Deignan founded the Foundation, with a view to improving education in Hong Kong and the two Wah Yan. Under Fr's guidance (and his Dream we gathered at his 80th birthday party) and your generous support, we managed to raise over \$148 million to launch small class teaching in the two Wah Yan from 2008 onwards.

To each of his students who needed help, Father Deignan was a sympathetic and forbearing listener, and for each of them, he was not only a confessor but also a confidante, one whom they could trust and rely on in times of disappointments and struggles. Our humble Father has been very kind to allow us to organise a concert for him on **Saturday, 13 January 2018 at the Queen's Elizabeth Stadium at 8pm**, when we will perform the songs he picks. Moreover, we are collecting and collating his information, so that an account of his deeds could be published soonest.

To prepare these precious gifts, we need funding to ensure the delivery is of the right quality. Therefore, we would like to appeal to you to be our Patron/Sponsor by pledging a gift for the Concert and the bibliography. We also need you to be our audience to share the joy together. Preparatory work has begun in full swing. Given a tight schedule, we will be much obliged if you could accept our sincere appeal and reply say before 15 December 2017, so that we could focus on getting the best for the Concert and the bibliography. All Patrons will be entitled to free tickets and a bibliography signed by Father, a priceless gift needless to say. Please feel free to call Monty Fong on 9092 9433 if you need further information. Again many thanks for your selfless support and we look forward to welcoming you at the Queen Elizabeth Stadium.

With gratitude and very best wishes,
