4<sup>th</sup> December 2023

Dear Parents,

### Principal's Message

Thank you for your interest in applying for a F.1 discretionary place in our School on behalf of your son in the 2024-2025 school year. While you are considering which two schools you would apply for, I would like to draw your attention to the following:

You may already be aware that we are a boys-only Catholic school sponsored by the Society of Jesus and we strive to develop our students' all-round potentials both in terms of their being unique individuals as well as compassionate members of a mutually-supporting community. This year, we have 43 discretionary places available for applications.

If you have decided to choose our school, please fill in the enclosed application form and return it **by hand** to Wah Yan College, H.K. between 2<sup>nd</sup> and 16<sup>th</sup> January 2024, both dates inclusive, together with copies of the applicant's birth certificate / statutory declaration, P.4, P.5 & P.6 school examination reports, certificates of achievements, and a self-addressed stamped envelope with the given application number written on the top left corner. Alternatively, the application form can be submitted via the **SSPA e-Platform**. **Recommendation letters from his primary school, however, are NOT needed** at this stage.

After receiving all applications, we will shortlist a certain number of applicants for interview. You will be informed about it in early March 2024. The interview will be conducted in both Cantonese and English tentatively scheduled for 16<sup>th</sup> March, 2024 (Sat). Factors we consider for selection include the applicant's academic performance, conduct and character. In addition, his potentials and achievements in the fields of other learning experiences (OLE) such as services, music, sports, art, debates, public speaking, drama and so forth, will also be considered.

I look forward to receiving your application.

Yours sincerely,

Dr. Davis Chan  
Principal
